**Materials**

| Name                      | Company            | Catalog Number | Comments            |
|---------------------------|--------------------|----------------|---------------------|
| Monoiodoacetate           | Sigma-Aldrich      | I-2512-25G     | ≥ 98% purity        |
| 0.9% Saline               | Mini-Plasco basic  | 365 4840       |                     |
| Isoflurane                | Merial             | DNI 4090/1     |                     |
| 26 G Needle               | Fisher Scientific  | 12947606       |                     |
| 50 µl Hamilton Syringe    | Sigma-Aldrich      | 20701          |                     |
| Von Frey Hairs            | Linton Instruments | NC 122775-99   |                     |
| Incapacitance tester      | Linton Instruments |                | Delivery on Request |
| Testing Cage Rack         | Ugo Basile         | 37450          |                     |
| Compact Anesthetic system | Vet-Tech           | AN001B         |                     |
| Medical O <sub>2</sub>    | BOC                | 101-F          |                     |
| Aldasorbers               |                    | Vet -Tech      | AN006A              |
