**Materials**

| Name                                    | Company               | Catalog Number | Comments |
|---|-----------------------|----------------|----------|
| pGL4.2-Puro [ <i>luc2</i> /Puro] Vector | Promega Corp.         | E6751          |          |
| Glomax Mult-idetection system           | Promega Corp.         |                |          |
| IVIS 200 series                         | Caliper Life Sciences |                |          |
| Dual luciferase reporter Assay system   | Promega Corp.         | E1960          |          |
| Rediject c-lenterazine-h                | Caliper Life Sciences | 760506         |          |
| D-Luciferin K-Salt                      | Caliper Life Sciences | 122796         |          |
