Materials

Name	Company	Catalog Number	Comments
Abrasive gel (Nu Prep)	Weaver and Company	N-TAVP\H-3 ENG	Skin preparation
Alcohol wipe	Triad Disposables	103101	Skin preparation
Recording gel (Ten20 Conductive gel)	Weaver and Company	N-TAVP\H-3 ENG	Recording motor responses
Amyotrophic lateral sclerosis rating scale-revised questionnaire	Publication	Experimental builder	Stage disease
Medical Research Council muscle strength scale	Medical Research Council-UK	Experimental builder	Stage disease
Equipment	Company	Catalog number	Comments
Nerve conduction machine (Synergy/Nicolet EDX)	CareFusion	SA110106M	To measure split hand index
Synergy software	CareFusion	765654679	To measure split hand index
Tem millimeter gold cup disc electrodes	Grass Technologies	F-E5GH-60	To record motor responses
Neural earth plate	Westmead Hospital	Experimental builder	To record limb temperature
Thermometer	Westmead Hospital	Experimental builder	To record limb temperature
