## Materials

| Name                    | Company                | Catalog Number              | Comments  |
|-------------------------|------------------------|-----------------------------|---|
| MATLAB                  | Mathworks              | R2014b                      | General computing platform                            |
| Psychtoolbox            | Psychtoolbox           | PTB-3                       | Toolbox of routines for use with MATLAB               |
| G*Power                 | Universität Düsseldorf | G*Power 3.1.9.2 for Windows | Software to assist with performing power calculations |
| 24" HDMI Gaming Monitor | ASUS                   | VG248QE                     | High quality LCD monitor with excellent timing        |
