Materials

Name	Company	Catalog Number	Comments
Electrostimulator	Grass Technologies	S48 Square Pulse Stimulator	Electrostimulator allowing pulsed electrostimulation
Featherlight tweezers	Australian Entomological Supplies	E122B	For handling live venomous insects
Protease inhibitor cocktail	Sigma	4693124001	For preventing autoproteolytic digestion of venom
Dissection equipment	Australian Entomological Supplies	E152Micro	For fine dissections
Insect pins	Australian Entomological Supplies	E162	For fine dissections
